# Title I District- Wide Parental Involvement Plan Survey

The South Hackensack School District believes that parents play an integral role in assisting in their child's learning and are also encouraged to be actively involved in their child's education. Parents are full partners in their child's education and should be included, as appropriate, in decision-making and on advisory committees to assist in the education of their child. To that end the South Hackensack School District is required to conduct an annual evaluation of the content and effectiveness of our parental involvement policy therefore improving the quality of its Title 1, Part A program. This evaluation will include identifying barriers for greater participation in parental involvement activities.

**Identifying barriers for greater participation by parents in parental involvement activities.**

Which of the following barriers are most evident in Memorial School? Please identifying by circling the degree of importance (1 being critical and 3 being less critical). Please supply possible remedies to these barriers for consideration. Also provide additional barriers you may feel are important to our Parent Involvement Plan.

1. Working parents: 1 2 3

2. Limited English Proficient Parents: 1 2 3

3. Parents with Limited Literacy: 1 2 3

4. Other barriers:
