Dear Parent/Guardian,

As you know, the board of education, the teachers and administrative team have set aside the **week of November 13th for Parent-Teacher Conferences**. During this time period you will have an opportunity to gain first-hand knowledge about your child's educational performance and progress to date.

Your child's teacher will be reaching out to you to set up a date and time for an in-person conference or, if needed, a virtual conference via Zoom. If not, I encourage you to contact your child's teacher to schedule an appointment. This is an important meeting. Our special area teachers will also be available in person in our gym from 2-3:00p on Nov 13th & Nov 14th. As we have said in past communications, a key ingredient in the education of children is involved parents.

Just a reminder, as our school calendar for the month of November indicates, there will be a 1:00 p.m. dismissal on Monday, November 13 and Tuesday, November 14. Please keep in mind that report cards will be available to view in Genesis on Monday, November 13th. It is highly recommended, prior to coming, that you review the information on this report and that you think of any questions/concerns you may want to ask/voice at the conference.

Thank you for your understanding and cooperation. As always, feel free to contact me if I can be of any assistance.

Sincerely,

Jason Chirichella
Superintendent/Principal
