

About Me

After graduating from Seton Hall University with a degree in Communications and receiving Computer Systems Administration certification, I began a 13-year career in Publishing. After earning a Masters in Teaching, I taught at a private preschool and in Lincoln Park before joining Memorial School in 2005. I received my Associate Media Specialist Certificate in 2007. I am the district's Gifted and Talented Teacher/Coordinator, Library Media Specialist and District Test Coordinator. For 10 years, I served as an officer of the Bergen County Consortium for Teachers of the Gifted, serving as President for 6 years. I am a member of the New Jersey Association for Gifted and the National Association for Gifted Children. I have served as a Wood-Ridge Board of Education member, Meadowlands Area YMCA Board Member and Wood-Ridge Memorial Foundation Board Member. I truly believe in the importance of meeting our gifted learners' needs.
