Chromebooks

Beginning in the 2018-2019 school year, our district has provided all students in Grades 3 through 8 with a Chromebook. In 2019-2020, we added Grades 1 & 2 to our Chromebook initiative. Students will use their Chromebooks at school and be charged and stowed in their classrooms.

This is an exciting time for our district. We believe a Chromebook for each student will lead to an overall enhanced educational experience, better student organizational skills and learning and sharing beyond the walls of the conventional classroom. Students are responsible for the general care of the device they have been issued by the school. Devices that are broken or fail to work properly must be reported immediately by the student in order for the District Technology department to evaluate the problem.

We look forward to the opportunities this technology will provide to our students and teachers and we deeply appreciate the support of our stakeholders in the Memorial School District community.

Students and parents are asked to complete and return the Network Responsibility Contract which you can find under our Resources tab on our school website: www.shmemorial.org

Parent Notification

Our school uses Blackboard Connect as our parent notification system. This system is connected to our Genesis student information system. It is used to communicate with all parents when necessary. This system is utilized for one of three reasons – for emergency purposes; for school closing or delayed opening; or for general informational announcements. So that we can be assured that our Genesis student information system database has the correct contact information, we ask that each family to provide our school and main office of any changes such as phone numbers and/or email. Please e-mail Evelyn Stefano at estefano@shmemorial.org and Jeff Badre at jbadre@shmemorial.org with the updated information.

Genesis

Memorial School uses Genesis, a web-based student recording data system for our progress reports, marking period report cards, and various other data. The Genesis parent portal allows parents to access daily attendance, progress reports and report cards. **At the start of the 2018-2019 school year, Memorial School began only using the parent portal of Genesis.** This means that no paper progress reports or report cards will be sent home. The only access to see your child’s report is to login to the parent portal via our school website www.shmemorial.org or through our school app. If you have not registered for a parent portal account and need assistance, please contact Jeff Badre at jbadre@shmemorial.org. If you should have any questions, please call our main office.

Fire/Security Drills

Fire Drills

Fire drills will be conducted at least once each month during the school year. At the sound of the fire alarm, all students are to exit the building according to the directions posted in each classroom, or at the direction of the teacher/staff member in charge. Students are to conduct themselves in an orderly and silent fashion; misconduct of any kind while leaving or returning to the building is forbidden. Disciplinary action will be taken to any student in violation.

Pursuant to 18A:41-1, at least one School Security Drill will be conducted each month. A minimum of two of each of the following security drills will be conducted annually: Active Shooter, Bomb Threat, Evacuation (non-fire), and Lockdown.

Security drills are conducted, in conjunction with the South Hackensack Police Department, once each month and are designated to secure the school buildings efficiently and effectively. Students will be given clear directions by their classroom teacher regarding the procedures at the start of the school year. Students are expected to cooperate with all of the rules and procedures outlined by the classroom teacher.

High Honors/Honor Roll

Parents are welcomed to request a Parent/Teacher conference to discuss their child's progress at any time. Conferences can be scheduled directly with the classroom teacher or can be conducted via telephone. Teachers email addresses can be found on the school website, under the **Teacher Pages** tab.

Student Health & Illness

We ask you assess your child's level of wellness before sending him/her to Memorial School. Your cooperation in this matter will help safeguard your child's health and the health and well being of others within Memorial School. To help stop the spread of infection among students and staff, students should not be sent to school when any of these symptoms of illness are present: Students with fever, frequent cough, rash, diarrhea/vomiting, sore throat, discharge from eyes, etc. should remain home until symptoms reside. Please keep your child at home for at least 24 hours after an elevated temperature has returned to normal (without medication) and/or after the cessation of vomiting and diarrhea.

Contact the school nurse @ kjimenez@shmemorial.org with any questions.

Health Records / Emergency Contacts

Parents/guardians are legally responsible for filling out Emergency Information Card thoroughly and accurately.

It is imperative that the school has accurate information regarding emergency calls. Please be sure that all phone numbers are accurate. If you change a phone number, we must be informed. It is important that parents arrange to have emergency contacts in place, as time is crucial in emergency situations.

Early Dismissal

State law requires that children attend school for a full day on all days that school is open. The exception to this are medical and dental appointments, emergencies or for religious services on days listed. When possible, request early dismissal in advance by note. In the case of an emergency, a phone call to the Superintendent/Principal or Director of Curriculum & Instruction will be sufficient.

*** All students must be called for at the school office.**

School Reporting Times

- Children in grades Pre-Kindergarten to 8 are to be **in their homeroom no later than 8:30 a.m.** for the morning session and 12:55 p.m. for the afternoon session. Any child reporting after those times will be considered late.

Attendance

All students are expected to make attendance in school a top priority. The administrators, teachers, and staff recognize their responsibility to provide a thorough and efficient education to all students. Therefore, it is critical that every student and their parent/guardian accept responsibility for the student's attendance at school as scheduled, and required by state law. Excellent attendance will positively impact student achievement.

If a student is to miss school as part of an excused absence, it is the responsibility of the student's parent/guardian to notify the school. The process for notifying the school of the student's absence should be followed as outlined below:

1. The parent/guardian is requested to call Evelyn Stefano in the Main Office at **(201) 440-2782 ext. 2**, no later than 9:00 a.m. (notification after 9:00 a.m. will be considered truant). **If there is no answer, please leave a message on the voicemail system.**
2. The information provided should include the student's name, grade, and a callback phone number for the parent/guardian.

Pupil Discipline/Code of Conduct

The Board of Education believes that all students have a right to pursue their academic goals at Memorial School and be successful. The Pupil Discipline/Code of Conduct was designed to help provide a safe school environment that is conducive to learning. The staff and administration believe that the most effective discipline is self-discipline. Any conduct that is construed as causing a reasonable possibility for disruption of the educational process or that interferes with the health, safety, or rights of others is prohibited. Students are expected to follow the code as outlined in ***District Policy and Regulation 5600***. Demerit System:

The demerit system is premised on the feeling that all student infractions should be recorded. When a student is assigned demerits, parental notification is made. If a student accumulates three (3) demerits, an Administrative Detention is assigned. An excessive number of Administrative detentions may result in an In-School Suspension.

Attendance Continued

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. A student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level. After 10 absences, an Action Plan may be implemented. Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in ***N.J.A.C. 6A:16-7.6(a)4 Policy and Regulation 5200***.

Unexcused absences from school may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of this Board and its staff in the maintenance of good order and the continuity of classroom instruction.

Tardiness

The Board of Education believes that promptness is an important element of school attendance. Pupils who are late to school or class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other students.

Tardiness to school that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

(District Policy and Regulation 5240)

Student Behavior

Students are expected to keep to the right while traveling in the hallway, keep voices low, and keep moving to your next classroom. It is important not to gather with friends or stop to talk during the passing of classes. Loitering could result in lateness to class. Students are not permitted to enter classrooms without a teacher present. Students must wait outside and line up along the wall until the teacher arrives and/or permits student entrance.

Cafeteria

Lunch period is an opportunity to relax and interact with friends. Students are expected to clean up after themselves, behave appropriately and follow the directions of the teachers and administrators in charge. Trash barrels are available to deposit trash. There are also containers specifically designated for recycling, and all are encouraged to help with the school's effort in this regard. Leaving trash on the table or throwing trash on the floor is unacceptable. Students who display inappropriate behavior during lunch or who do not clean up after themselves may have restricted lunchroom access as a consequence.

Assemblies

Students are expected to: Enter/exit in a quiet and orderly manner. No talking or physical contact during the performance. Remain in your seat for the duration of the program, unless you have permission from a staff member. Treat the speakers in a respectful manner and offer appropriate applause.
